MERKLE LEAVES THE BUTTE TEAM

Butte, Aug. 28.—Arthur Merkle, manager of the Butte team is through. Yesterday he released himself and "Spike" Shannon for the "financial good of the club."
In a statement, Merkle said that in view of the expense the club was under, the lack of patronage and for the interests of the men who have come to the front to keep baseball here, despite all adverse conditions, he thought it wise to step down and out and to release Shannon, who has not been taking an active part in the game much this season.
"I do not want it considered that Shannon has been dead wood on the team, for that is not the case. Shannon has been of great assistance, even if he did not take part in many games, and his services have been of great value to the club. But by releasing myself and Shannon, I am cutting down the salary list considerably and feel that it is only right that as long as neither of us are active in the game, that the backers of the club should be helped out all that is possible."

YOKEL READY TO MEET JORDAN

Mike Yokel is eager for a return match with Chris Jordan, who took the middleweight championship away from the local wrestler last month. Harry Heagren, for whom Yokel is under contract to wrestle, said last night that he would give Jordan any kind of a deal that he would ask for Yokel.
"There is no doubt that the wrestling fans want to see these two meet again," said Heagren. "If Jordan's manager objects to me as the promoter of the match I am ready to step down and let somebody else promote it. If Jordan wants the promoters to bid for the match that's agreeable to me. Also I will hang up a purse of \$2500 for the wrestler who can split it any way they want to. If Jordan wants to meet Yokel, winner take all, that will be entirely satisfactory to Yokel and myself."
"But I want to say that if somebody else promotes the match Jordan will have to post a forfeit that he will appear and make the weight of 165 pounds. The forfeit will have to be in money. Yokel will do the same thing. In short, I will accept for Yokel any kind of a deal that Jordan wants to make providing that Yokel gets just as good a break as Jordan. If Jordan insists on \$3000 win or lose, I shall insist on the same terms for Yokel. Yokel demanded no such conditions when he wrestled Jordan."
"As a matter of fact, I think the sporting public wants to see Yokel and Jordan come together again. I think Mike can beat Jordan and there are a good many others who think the same way. Its up to Jordan to say on what terms he wants to meet Yokel, and, more especially, to say when he wants to meet him."
Heagren yesterday received a letter from Yokel, who is on his farm in the Jackson Hole country, in which Mike says he is in excellent shape. There is a plan on foot to match Yokel with Tom Long and Archie Parker in a handicap bout. If such a match is arranged, Yokel will agree to throw both men within ninety minutes.

Brigham City, Aug. 27.—The people of Park valley are planning to hold a big fair on September 20 and 21 for the purpose of exploiting that section of Box Elder county of which so little is heard. The prospects of a railroad entering that valley in the not far distant future has a tendency to force that rich territory lying in the western part of this county forward with leaps and bounds. The town of Druehl will be the scene of the first annual fair, and preparations are now under way for caring for several hundred people during those two days.

ANTI-BOXING BILL

Los Angeles, Aug. 28.—An anti-boxing bill now being drafted by a committee of the Los Angeles Chamber of Commerce and which, it was announced today, would be presented to the voters of the state as an initiative measure, it said to be the most drastic that any measure of the kind ever proposed in California. It would limit all contests to four rounds, prohibiting the charging of admission fees for spectators and make eight ounce gloves the lightest that could be used. The federation met today to plan an active campaign for this measure.

JESSIE WILSON FALLS FROM HORSE

White River Junction, Vt., Aug. 27.—As Dr. Charles W. Worthen of White River Junction was on his way to visit a patient at Plainfield, N. H., late yesterday afternoon he came upon a young woman lying unconscious by the road. It proved to be Miss Jessie Wilson, daughter of President Wilson, who, while out riding with her fiancé Francis B. Sayre, had been thrown from her horse. Mr. Sayre had been riding a little ahead and knew nothing of the accident until the riderless horse dashed past him. Dr. Worthen applied remedies and after about half an hour Miss Wilson regained consciousness.
